Meeting with Jack Wilson, State of Kentucky, on May 1, 1980,  
10 A.M., Water Division Conference Room, Re: "Valley of Drums"

Attorney  
Legal Branch

Sanford W. Harvey, Jr.  
Director  
Enforcement Division

Sara Turnipseed and I both feel that we should primarily  
discuss Valley of Drums at this meeting. Then, depending on  
available time, we should discuss other problem sites in  
Kentucky in the following order:

- 1) Lee's Lane Landfill
- 2) Distler Brickyard
- 3) Distler Farm
- 4) Other sites which the State may wish to  
discuss

Appropriate personnel from AHMD (Disposal Site Unit) and from  
Enforcement will be notified about this meeting.
